

Republic of Guatemala

Guatemala Urban and Peri-urban Resilience Project (P179462)

- Negotiations Version- ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN (ESCP)

December 14, 2022

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Guatemala (the **Borrower**) will implement the “Guatemala Urban Resilience Project [*Proyecto Guatemala Resiliencia Urbana y Periurbana P179462*]” (the **Project**), with the involvement of the Social Solidarity Fund (FSS, Spanish acronym) in the Ministry of Communications, Infrastructure and Housing [*Ministerio de Comunicaciones, Infraestructura y Vivienda CIV*]. For the implementation of the Project, the VMI will be supported by the *Mancomunidad Gran Ciudad Sur* (MGCS) as its technical arm on the ground. The International Bank for Reconstruction and Development (the **Bank**) has agreed to provide financing for the Project.
2. The Borrower shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) of the Bank and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Bank. The ESCP is a part of the Legal Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreement.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Borrower shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the World Bank.
4. As agreed by the World Bank and the Borrower, this ESCP will be revised from time to time, if necessary, during Project implementation, to reflect the adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Borrower through the CIV and the Bank agree to update the ESCP to reflect these changes through an exchange of letters signed between the Bank and the Executive Coordinator of the FSS. The Borrower shall promptly disclose the updated ESCP.

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
MONITORING AND REPORTING			
A	<p>MONITORING AND REPORTING</p> <p>Prepare and submit to the Bank regular monitoring reports on the environmental, social, health, and safety (ESHS) performance of the Project, including but not limited to the implementation of the ESCP, status of preparation, and implementation of environmental and social (E&S) instruments required under the ESCP, stakeholder engagement activities, and functioning of the grievance mechanism.</p>	<p>Submit six-monthly reports throughout Project implementation, no later than thirty (30) days after the end of the corresponding six-month period. The first report shall be submitted within 30 days after the end of the first six-month period following the Project Effectiveness Date.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
B	<p>INCIDENTS AND ACCIDENTS</p> <p>Promptly notify the Bank of any incident or accident related to the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, including, inter alia, work accidents that result in serious injury, death, cases of sexual exploitation and abuse (SEA), sexual harassment (SH), gender-based violence or ethnic violence, and impacts on natural habitats.</p> <p>In these cases, provide sufficient detail regarding the incident or accident, indicating immediate measures taken to address it, and including any information provided by the participating municipalities, beneficiaries, contractors and supervising firms, as appropriate.</p> <p>Subsequently, at the Bank’s request, prepare a report on the incident or accident and propose any measures to prevent its recurrence. The Borrower’s guide for preparing “Responses to environmental, social, health, and occupational safety incidents for World-Bank (WB) financed projects” must form part of the Environmental and Social Management Framework (ESMF) and, as such, will be incorporated into the Project Operations Manual (POM).</p>	<p>Notify the Bank no later than 48 hours after the occurrence of the incident or accident. Provide subsequent report to the Bank within a timeframe acceptable to the Bank, as requested.</p>	<p>FSS/CIV</p>

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY
<p>C CONTRACTOR'S AND SUPERVISORS' MONTHLY REPORTS Require contractors and supervising firms to provide monitoring reports on environmental, social, occupational health and safety (ESHS) performance, explaining the state of compliance with the E&S mitigation and monitoring measures. The report will include, among other things: (i) The implementation status of the ESMP specific to the sites where construction works will be carried out; (ii) occupational health and safety (OSH) incidents; (iii) supervision of health and safety aspects; (iv) use of personal protective equipment (PPE), including measures, as necessary, to prevent the spread of COVID-19, (v) trainings done and worker participation, and (vi) workers' grievances.</p>	<p>The VMI will ask contractors and supervising firms to submit reports to the Project Implementation Unit (PIU) in accordance with the metrics of the respective bidding documents and contracts for the implementation of the works.</p> <p>The VMI, through the MGCS, as necessary, will ask contractors and supervising firms to submit reports to the PIU, as specified in the respective bidding documents and contracts for the implementation of the works that are within the municipalities.</p> <p>The reports will be submitted to the Bank at the Bank's request.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
<p>ESS 1: ASSESSMENT AND MANAGEMENT OF ENVIRONMENTAL AND SOCIAL RISKS AND IMPACTS</p>		
<p>1.1 ORGANIZATIONAL STRUCTURE Establish and maintain as part of the Project Implementation Unit (PIU), a team with qualified staff and resources to support the management of environmental and social risks, including at least the following:</p> <ol style="list-style-type: none"> 1. Key staff at the central office of the PIU at the FSS/CIV: <ul style="list-style-type: none"> ○ One (1) environmental specialist. ○ One (1) social specialist. ○ One (1) specialist in communications and grievance management. <p>Additionally, the Office of the MGCS will be strengthened with at least:</p> <ul style="list-style-type: none"> ○ One (1) environmental consultant. ○ One (1) social consultant. ○ One (1) consultant in social communication. <p>The staff shall assist and enable the MGCS, municipalities, and contractors to carry out their necessary duties to support the management of environmental and social risks.</p>	<p>The PIU and key staff will be established no later than sixty (60) days after the Project Effective Date. All the specialists shall remain throughout Project implementation.</p>	<p>FSS/CIV MGCS</p>

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY
<p>1.2 ENVIRONMENTAL AND SOCIAL MANAGEMENT FRAMEWORK Prepare, consult, adopt, publish, and implement an Environmental and Social Management Framework (ESMF), based on Terms of Reference (ToRs) that are acceptable to the Bank.</p>	<p>The ESMF will be sent to the Bank for the No Objection, then adopted and published no later than ninety (90) days after the Project Effective Date. In addition, no activity or work shall start before the ESMF has been approved and published. The approval and publication of the ESMF will be a Disbursement condition for Component 1 in accordance with the Financing Agreement.</p> <p>The ESMF will be implemented throughout Project implementation.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
<p>1.3 MANAGEMENT TOOLS AND INSTRUMENTS Ensure that the Project is implemented in accordance with the following requirements:</p> <p>a) Reference all the instruments (ESMF, SEP, LMP, RPF, IPP), including the environmental and social (E&S) procedures and processes, in the Project Operations Manual (POM).</p> <p>b) Develop, consult, adopt, publish, and implement the Environmental and Social Management Plans (ESMPs) for the subprojects or any other Project activity, in accordance with the stipulations of the ESMF.</p>	<p>a) The adoption of the POM is a prerequisite for the Effectiveness of the Financing Agreement.</p> <p>b) For any subproject and any other Project activity that requires the preparation of an ESMP, said ESMP will be subject to the review and No Objection of the Bank, in accordance with the criteria set out in the Project Operations Manual (POM), before launching the corresponding procurement process, or starting the activity, as the case may be. The ESMP will be published as part of the bidding documents. Once adopted and published, the ESMPs will be implemented throughout the implementation of the subproject or Project activities. The POM will specify the subprojects or other Project activities for which the VMI of the CIV can ask the MGCS to prepare the ESMPs. The ESMPs will be subject to the approval of the VMI and the Bank of the CIV before their implementation.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY
<p>1.4 MANAGEMENT OF CONTRACTORS</p> <p>a) Incorporate the relevant aspects of this ESCP, including the ESMF, the ESMPs, other corresponding environmental and social plans, the Stakeholders Engagement Plan (SEP), including a Grievance Mechanism, the Resettlement Policy Framework (RPF), the Indigenous Peoples’ Plan (IPP), and the Labor Management Procedures (LMP) into the environmental, social, health, and safety specifications of the bidding documents and contracts with contractors, in the respective contracts.</p> <p>b) Demand that contractors prepare and implement (subject to the approval of the VMI of the CIV) an Environmental and Social Management Plan-Contractor (ESMP-C), for the construction phase, which must be aligned with the corresponding ESMP developed by the VMI of the CIV (or the MGCS) and with all the instruments that regulate environmental and social management of the Project, as defined in the ESMF and this ESCP.</p>	<p>a) Relevant aspects of the ESCP incorporated into the bidding documents and corresponding contracts.</p> <p>b) Supervise contractors, amongst others by hiring supervising firms, throughout subproject implementation. The VMI of the CIV will approve the ESMP-C prior to the start of the construction phase.</p>	<p>FSS/CIV With technical support from the MGCS</p>
<p>1.5 PERMITS, LICENSES, CONSENTS AND AUTHORIZATIONS</p> <p>Obtain or arrange for the obtaining of, as appropriate, the permits, licenses, and authorizations that may be applicable to the respective subproject or Project activities from the relevant national authorities and provincial authorities. Comply or ensure compliance with, as appropriate, the conditions set forth in these permits, consents, and authorizations throughout subproject or Project implementation.</p>	<p>If applicable, permits, consents, and authorizations will be obtained before the start of activities for which they are required.</p>	<p>FSS/CIV With technical support from the MGCS</p>
<p>1.6 TECHNICAL ASSISTANCE</p> <p>Ensure that consultancies, studies, capacity building, training, and any other technical assistance activity under the Project, including those related to environmental and social instruments, are carried out in accordance with Terms of Reference that are acceptable to the Bank, which are consistent with the ESSs.</p>	<p>The Terms of Reference will be sent for the Bank’s prior review and No Objection, if applicable, throughout Project implementation.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
<p>ESS 2: LABOR AND WORKING CONDITIONS</p>		

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY
<p>2.1 LABOR MANAGEMENT PROCEDURES (LMP) Develop, adopt, publish, and implement the LMP, based on ToRs that are acceptable to the Bank, including, inter alia, suitable health and occupational safety measures (including emergency preparedness and response measures), grievance arrangements for Project workers, a Code of Conduct for workers, and other labor requirements that will be incorporated into the Occupational Health and Safety (OHS) specifications of the procurement documents and contracts with contractors and supervising firms.</p>	<p>Send the LMP for the Bank’s No Objection, approve, and publish it no later than ninety (90) days after the Project Effectiveness Date or before hiring workers for the Project (whichever happens first). The approval and publication of the LMP will be a Disbursement condition for Component 1 in accordance with the Financing Agreement.</p> <p>Once approved, the LMP will be implemented throughout Project implementation.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
<p>2.2 GRIEVANCE MECHANISM FOR PROJECT WORKERS Establish, maintain, and operate a grievance mechanism for Project workers, as described in the LMP and consistent with ESS2.</p>	<p>Establish, maintain, and operate a grievance mechanism before hiring Project workers and keep it throughout implementation.</p>	<p>FSS/CIV With technical support from the MGCS</p>
<p>2.3 OCCUPATIONAL HEALTH AND SAFETY MEASURES</p> <ul style="list-style-type: none"> a) Develop specific Occupational Health and Safety Measures (OHS) for the Project, including emergency preparedness and response measures and including these measures in the ESMP to be developed for each subproject or Project activity. b) Incorporate OSH measures into procurement documents and construction contracts. c) Ensure that supervising firms hire OSH specialists for subprojects or Project activities with higher OSH risks and impact. d) Ensure that the measures specified in the OSH are implemented at each works site. 	<ul style="list-style-type: none"> a) The same timeframe as for the implementation of action 1.3.b. b) Before starting the corresponding procurement process and in the respective construction contract. c) Before starting the corresponding procurement process and in the respective supervision contract. d) Throughout implementation of the corresponding works. 	<p>FSS/CIV With technical inputs from the MGCS</p>
<p>2.4 CODE OF CONDUCT</p> <ul style="list-style-type: none"> a) Establish a Code of Conduct in the LMP. b) Establish provisions in the bidding documents so that contractors establish a Code of Conduct to be signed by all workers, including subcontractors, and establish the minimum content of this code. The Code of Conduct must be based on the guidelines set out in the LMP and the ESMF. 	<ul style="list-style-type: none"> a) The same timeframe as for the implementation of action 2.1 b) The same timeframe as for the implementation of action 1.4.a. 	<p>FSS/CIV With technical inputs from the MGCS</p>
<p>ESS 3: RESOURCE EFFICIENCY AND POLLUTION PREVENTION AND MANAGEMENT</p>		

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
3.1	<p>RESOURCE EFFICIENCY AND POLLUTION PREVENTION AND MANAGEMENT</p> <p>Incorporate actions into the ESMP that ensure resource efficiency and pollution prevention and management, following the procedures set out in the ESMF.</p>	The same timeframe as for the implementation of action 1.3.b.	FSS/CIV With technical support from the MGCS
ESS 4: COMMUNITY HEALTH AND SAFETY			
4.1	<p>TRAFFIC AND ROAD SAFETY</p> <p>Adopt and implement measures and actions to assess and manage traffic and road safety risks as part of the ESMPs to be prepared for the subprojects and other Project activities, following the procedures set out in the ESMF.</p>	The same timeframe as for the implementation of action 1.3.b.	FSS/CIV With technical support from the MGCS
4.2	<p>COMMUNITY HEALTH AND SAFETY</p> <p>Develop, adopt, publish, and implement measures and actions to assess and manage specific risks and impacts to the community arising from subproject and other Project activities. These measures must be included the ESMPs that will be developed in accordance with the ESMF, in a manner acceptable to the Bank. These will include, inter alia:</p> <ul style="list-style-type: none"> • Labor Inflow Risk Management Plan, which includes behavior, codes of conduct, management of contractors' camps, and so forth. • Prevention assessment and measures and reference network for cases of sexual exploitation and abuse/sexual harassment (SEA/SH). • Development and implementation of mitigation measures to address the risk of situations of conflict, violence, and crime. • Emergency response. • Risk assessment of community exposure to communicable diseases, such as COVID-19. 	The same timeframe as for the implementation of action 1.3.b.	FSS/CIV With technical support from the MGCS
4.3	<p>RISKS OF GENDER-BASED VIOLENCE</p> <p>Develop measures to prevent, minimize or mitigate the risks and impacts of gender-based violence. These measures will be included in the ESMF and the ESMPs.</p>	<p>The ESMF with the same timeframe for implementation of action 1.2.</p> <p>The ESMP with the same timeframe for the implementation of action 1.3. b.</p>	FSS/CIV With technical support from the MGCS
4.4	<p>UNIVERSAL ACCESS</p> <p>When feasible, the civil works will include the concept of universal access as part of the design of the works, as will be described in the ESMF. These include, inter alia, the construction/restoration/replacement of ramps for persons with disabilities and the incorporation of new or additional provisions regarding universal access.</p>	The same timeframe as for the implementation of action 1.2. The corresponding ESMPs shall be applied within the same timeframe as for the implementation of action 1.3.b.	FSS/CIV With technical support from the MGCS
ESS 5: LAND ACQUISITION, RESTRICTIONS ON LAND USE AND INVOLUNTARY RESETTLEMENT			

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
5.1	<p>RESETTLEMENT POLICY FRAMEWORK (RPF) Develop, consult, disseminate, adopt, and implement the Resettlement Policy Framework (RPF), based on ToRs acceptable to the Bank and subsequently, implement the IRF throughout the Project, in a manner acceptable to the Bank.</p>	<p>The RPF shall be developed, consulted, and submitted for the Bank’s No Objection, then disseminated and approved no later than ninety (90) days after the Project Effectiveness Date. Furthermore, no subproject or works under Component 1 may start before the RPF is approved. The development, consultation, approval, and publication of the IRF is a Disbursement condition for Component 1, in accordance with the Financing Agreement.</p> <p>The RPF will be implemented throughout Project implementation.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
5.2	<p>RESETTLEMENT ACTION PLANS Develop, consult, disseminate, adopt, and implement the Resettlement Action Plans (RAP) for any subproject and other Project activities that may require the preparation of an RAP, as set out in the Resettlement Action Framework (RAP) and in ESS5, in a manner acceptable to the Bank.</p>	<p>Each Resettlement Action Plan (RAP) required shall be submitted for the prior No Objection of the Bank, as set out in the POM, and will be subsequently implemented before carrying out any activity related to the subproject, or activity of the corresponding Project, which includes ensuring that, before taking possession of the land and related assets, full compensation has been provided, and if applicable, the displaced persons have been resettled and have received moving allowances.</p>	<p>FSS/CIV With technical support from the MGCS</p>
5.3	<p>GRIEVANCE MECHANISM Describe the grievance mechanism (GM) for addressing resettlement-related complaints in the RPF, the RAPs, and the SEP.</p> <p>The GM will examine the availability of judicial resources or alternative conflict resolution mechanisms that may exist within the communities.</p>	<p>The same timeframe as for the implementation of action 5.1 in the case of the RPF, 5.2 in the case of the RAPs, and 10.1 in the case of the SEP.</p>	<p>FSS/CIV With technical support from the MGCS</p>
ESS 6: BIODIVERSITY CONSERVATION AND SUSTAINABLE MANAGEMENT OF LIVING NATURAL RESOURCES			
6.1	<p>BIODIVERSITY RISKS AND IMPACTS: Incorporate a biodiversity risk and impact analysis into the updated environmental and social assessment (ESA) for the Project, drafted as part of the ESMF. If the ESMF identifies the need to develop, approve, and implement a Biodiversity Management Plan (BMP) and/or compensation and management plan for damage to the natural habitat, this shall be developed in accordance with the guidelines of the ESMP of the subproject or activity, in a manner acceptable to the Bank.</p>	<p>The same timeframe as for the implementation of action 1.2 in the case of the ESMF and 1.3.b in the case of all the ESMPs.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
ESS 7: INDIGENOUS PEOPLES			

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
7.1	<p>INDIGENOUS PEOPLES PLAN (IPP)</p> <p>Develop, consult, disseminate, adopt, and implement an IPP for the Poqomam Indigenous People in the municipality of Mixco, in accordance with the requirements of ESS7, based on ToRs that are acceptable to the Bank. Implement the IPP throughout Project implementation, in a manner that is acceptable to the Bank. The IPP will describe the process for obtaining the free and informed consent, if applicable to any of the Project's activities or interventions.</p>	<p>The IPP shall be developed, consulted, disseminated, and adopted no later than ninety (90) days after the Project Effectiveness Date. In addition, no activity or works in the municipality of Mixco may begin before the IPP has been adopted.</p> <p>The IPP will be implemented throughout Project implementation, in accordance with its terms.</p>	<p>FSS/CIV</p> <p>With technical inputs from the MGCS</p>
ESS 8: CULTURAL HERITAGE			
8.1	<p>CULTURAL HERITAGE</p> <p>Develop, as part of the specific ESMPs of the subproject or activities of the corresponding Project, an assessment of the tangible and intangible cultural heritage present in areas that may be affected, in accordance with the requirements set out in the ESMF. If an ESMP identifies a significant impact on cultural heritage, it will be included in the Cultural Heritage Management Plan (CHMP) in accordance with the requirements of ESS8.</p>	<p>The same timeframe as for the implementation of action 1.3.b.</p>	<p>FSS/CIV</p> <p>With technical support from the MGCS</p>
8.2	<p>CHANCE FINDS</p> <p>Implement the chance finds procedure described in the ESMF developed for the Project and incorporate the measures into the ESMPs developed for the subprojects or other Project activities, if necessary.</p>	<p>The same timeframe as for the implementation of action 1.3.b.</p>	<p>FSS/CIV</p> <p>With technical support from the MGCS</p>
ESS 9: FINANCIAL INTERMEDIARIES			
This standard is not relevant.			
ESS 10: STAKEHOLDER ENGAGEMENT AND INFORMATION DISCLOSURE			

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS	TIMEFRAME	RESPONSIBLE ENTITY
<p>10.1 STAKEHOLDER ENGAGEMENT PLAN PREPARATION AND IMPLEMENTATION</p> <p>Update, consult, publish, adopt, and implement the SEP developed for the Project, which shall include measures to, inter alia, provide stakeholders with timely, relevant, understandable, and accessible information, and consult with them in a culturally appropriate manner, which is free of manipulation, interference, coercion, discrimination, and intimidation.</p> <p>The updated SEP will also outline the process that will be carried out at the subproject level throughout Project implementation, to identify and map stakeholders at the subproject level, and arrange and hold important consultations with different groups as part of the subproject’s design and implementation, with differentiated strategies for reaching the most vulnerable, especially the indigenous peoples, and the details of the Project’s grievance mechanism (including complaints related to Gender-Based Violence).</p>	<p>The SEP will be updated, adopted, and published no later than ninety (90) days after the Project Effectiveness Date. In addition, no activity or works for Component 1 may start before the SEP is adopted. The adoption and publication of the SEP is a Disbursement condition for Component 1, in accordance with the Financing Agreement.</p> <p>The SEP will remain in effect throughout Project implementation.</p>	<p>FSS/CIV With technical inputs from the MGCS</p>
<p>10.2 PROJECT GRIEVANCE MECHANISM</p> <p>A) Establish, publicize, maintain, and operate an accessible grievance mechanism to receive and facilitate resolution of concerns and grievances in relation to the Project, promptly and effectively, in a transparent manner that is culturally appropriate and readily accessible to all Project-affected parties, at no cost and without retribution, including concerns and grievances filed anonymously, in a manner consistent with ESS 10 and the SEP. The mechanism shall have the necessary cultural adaptations for indigenous peoples, in a manner consistent with the IPP. The grievance mechanism shall be equipped to receive, register, and facilitate the resolution of SEA/SH complaints, including through the referral of survivors to relevant gender-based violence service providers, all in a safe, confidential, and survivor-centered manner.</p> <p>B) Include a report on the operation of the grievance mechanism in the six-monthly reports mentioned in Material Measures and Action A, referred to at the beginning of this ESCP (Regular Reporting), describing, at least, the number and type of complaints received, the average resolution time, and other relevant data to be discussed and agreed on with the Bank.</p>	<p>A) The same timeframe as for the implementation of action 10.1 and in operation throughout Project implementation.</p> <p>B) The same timeframe as for Action A (Regular Reporting) referred to at the beginning of the Environmental and Social Commitment Plan (ESCP).</p>	<p>FSS/CIV With technical support from the MGCS</p>
<p>CAPACITY SUPPORT (TRAINING)</p>		

Environmental and Social Commitment Plan (ESCP): Guatemala Urban Resilience Project (P179462)

MATERIAL MEASURES AND ACTIONS		TIMEFRAME	RESPONSIBLE ENTITY
CS1	<p>Six (6) months after receiving the No Objection from the Bank for environmental and social instruments, update the environmental and social capacity support plan outlined in the ESMF for Project staff to include trainings about the environmental and social instruments (ESMF, SEP, LMP, IPP, RPF, among others) and the monitoring of the Project’s requirements and Environmental and Social Standards.</p> <p>The capacity support plan will outline the trainings to be done with different target groups (e.g., FSS/CIV and PIU staff; MGCS staff; relevant municipal Technical Units; Contractors and workers; Project beneficiaries; Leaders of the Community Development Councils; Poqomam ancestral organizations, amongst others) and will identify the issues to be addressed according to the roles, duties, and specific tasks to be carried out.</p>	Throughout implementation.	FSS/CIV With technical support from the MGCS
